“ Dear Family,  
Marion was such a wonderful and dedicated woman. Cherish your precious memories.

She was such an asset to the Auxiliary of the Riverside Convalescent Center at West Point. We could always count on her to faithfully attend each meeting. She let me know when she was not able to drive herself to our meetings anymore. She was sorely missed.

Her name will be added to the plaque of deceased members that hangs in the lobby of the Riverside Convalescent Center at West Point.

We offer our condolences to her family and friends.  
Gloria Couch, President of the Auxiliary of the Riverside Convalescent Center at West Point
