Tribute Wall

WE

“ Please accept my condolences for the passing of your dear loved one. When someone we love dies, the heartache and grief can be great. I hope that you can be comforted knowing that God cares for you and sees your pain. (1 Peter 5:7)

“ Wes & Page, memories, memories, memories..I will never forget - from the Beulah Camp days where she was cook with Glenna on to Broad Rock with you and John T. What a spiritual ROCK, so faithful to our Church and our God. She loved people and her God.....and I loved her! Remember the Church get-together at your house and we played baseball in your back yard? Many years ago! I thank the Lord for placing Marie in my life!!

“ I will always love and be grateful for having had Marie as a friend, Sunday school teacher, and role model most of my life! She and John T. always made me feel loved and valued. Through Marie's constant faith in God, I was encouraged to never give up even through the tough times in all of my growing up years and through college. There was never a time that Marie did not encourage me. When I was a child, she brought me my favorite ritz crackers in a baggie to church. My dad and actually entire family enjoyed her homemade rolls. I've not tasted anything as good as Marie's cooking as when she had my family over to the house frequently for dinner. Also, she shared her wonderful cooking with the church (Calvary Wesleyan) at many socials. She'd bake her homemade rolls specially for my dad, the preacher, just to make him feel special. She was also so kind to her mother-in-law, Granny who we all loved and miss, too. My voice and heart cannot possibly express my gratitude to God for creating and giving life to Marie for such a long life! She made a difference in my life! Love, Charity

“ She was one of the most gentle, loving, kind persons I have ever known. She truly loved her Lord and let her light shine in many ways. I will cherish the memories and will miss her. I am proud to have called her my Aunt.

“ I was sorry to hear of Marie's passing, and yet know heaven gains a faithful, loving servant of God and others. I have wonderful memories of growing up in the Wesleyan church and having Marie for my junior age Sunday school teacher. I remember when it was time to be promoted into the teen class, that our entire class was upset that we had to move on and one boy didn't understand why she didn't get promoted along with us. Her sweet smile and loving spirit was a blessing to all who knew her. I know John T. was happy to see her again.
