“ If this lady was among your circle of friends or family, then you were truly blessed. She was one of the kindest most beautiful people that I ever had the pleasure of meeting. On August 6th we lost someone that was a treasure to any and all she met. Good things do come in small packages. She was so tiny in stature but definitely a mega force. I will miss her. Deepest condolences to her family. May God be with you as you try to heal.

Sincerely: Carol Harper
