“ Dear Suzanne, Frank, Mickey and Family,

Your mother's smile has not changed a bit since I last saw her years ago. I remember coming to visit your family when I was a little girl and I always enjoyed being at Riverside Farm. My heart goes out to each of you and I pray that your loving memories will help you through this difficult time.

Peace Be With You,

Brenda Yarhouse Hite (Joe Yarhouse's daughter)

Dear family members , friends, and all who are mourning this very special loss. I extend to you my deepest sympathy along with many prayers. I have met Mr. Ricks who was at one time the principal at Ruthville High School and Suzanne his wife. Life is so precious and special. In the travels from day to day it is a book that has many memories, dreams, goals, good deeds and etc., The bible describes death as a small stop in the journey of life. The bible has so many promises for those who are asleep in death John 5: 28,29 states that for many are in the graves they will hear his voice and come out. Isaiah 25: 8 speak of a time when death will come to a complete end. so when these wonderful promises are fulfilled all can live to the fullest without the enemy death. Cherish all of the good times, golden memory, and happy times spent together. Very soon when the fulfillment of bible prophesy will take place it is going to be a wonderful time to welcome deceased family members back to life who will be alive and well. It will be the grandest reunion of all time because it can be everlasting.
