“ Marge was one of my favorite people. I have so many fond memories of her and the other Thursday girls at the Lightner. Also many fond memories of when Chris would come to stay with her. Chris would come bounding up to the Gift Shop looking for me to give him a task to do, calling my name all the way up. It was very cute. I've missed Marge since she moved and thought of her often. My thoughts and prayers go out to the family and especially to Chris. I hope they remained close.

“ My deepest condolences. I knew Marge from when she was at the Lightner Museum. I was the gift shop manager. She was a wonderful volunteer and friend. I always admired her amazing strong independent spirit. She was a gift to all of us who knew her. Lots of great memories of her and the Thursday girls.

“ My mothers love of travel was contagious. In her 60's and 70's her trips were numerous. Whether simply going to visit family or making one of her long forays to the west coast or New England or Canada she lived enjoyed her trips. Only 2 states were never visited, Alaska and Canada! Even into her 80's she would take long driving trips to visit family.
