“ *My thoughts and prayers continue to be with this family in their loss of Marsha. She was always a loving and giving person who thought of and gave back to family and friends before herself. Enjoyed working with her at Colonial Williamsburg (my second job) before retiring 5 years ago. May God continue to watch over you. Look forward to the get to gather at a later date in her memory. for that is the right thing to do.*

“ Mush Mouse .. you are now without pain or suffering and I guess you and ole Snappy are getting things back in order .. order ? there was never much order when you lived in my neighborhood .. my Lord we were always doing something we should have not been doing but on occasion we did get caught and paid the price .. that price gave us some red legs as evidence to show we'd been had ! You were always there when anyone needed you and I'm sure that there will be a jewel in your crown as one of your many rewards for being the SUPER kind of person and the life you led. The times we had raising money for M.D.A. and preparing those floats for Crab Carnival will always give me a smile when I think about you ! It was an adventure having you as my friend !!! !Your life now continues in a way that we all pray for .. with JESUS ! The Norman's

I have lost another Mama that didn't take mess from us, and had all our backs even when were not her children. Mama would because she considered all of us her kids. I really don't know what else to say, other than I am praying for peace in all of our hearts today.

Eric Lee Chandler - September 06, 2018 at 08:46 PM

My heart is broken as I have lost my other Mother. She was one of the kindest and most genuinely caring people I have ever known. I don't know why she chose me to be her other son because I never asked her I just know I'm glad she did. I love and miss you Mom

Jim Overby - September 07, 2018 at 06:27 AM

I enjoyed being with Marsha since we were in girl scouts together. Always had a fun time and kept me laughing. My prayers and love to her family at this difficult time.
