“ Marvin and I grew up in the same neighborhood. We would play whatever sport was in season with the rest of the neighborhood guys. Then on rainy days we would play pool in his garage or ours. Such fond memories. Rest in peace my friend.

“ Although we are living across the ocean, we cherish warm memories of all the times we've met Marvin in West-Point as well as in the Netherlands. We had so much fun together, and can still hear him laugh thinking about these good times when he used the expression : " Unbelievable...!!!!" after a joke . Marvin was a real familyman.
Unbelievable Marvin, that you had to leave the ones you've loved so dearly...they are in our thoughts and prayers... we will never forget you...

“ Marvin was always kind and thoughtful during all the years that I knew him and that has been many. We went to Sunday School together at West Point UMC, then on to first grade together and graduation in 1970. I was happy that Marvin found a special life partner in Beth and together they have raised an amazing family. Sincere condolences to the family and all loved ones that will be missing his presence in the days to come. Lynne Norman

Marvin stood out in our class of '70 and always kind with a smile. He'd tell it like it is (or how he that was!) without hesitation. All thru West Point and later at Va. Tech we had many laughs. What a great family! Rest in Peace Marvin- you are missed my friend!
