“ Our sweet Mary Ellen. God took a good one home way sooner than we all wanted. I will miss our shopping trips and eating out. I will miss those calls if can I help fix her phone and the long visits in my living room. She was a dear friend and such a Christian woman. My heart aches but I know she is in the heavens dancing away. Prayers for all her family and friends. Until we meet again in that eternal place called heaven. Love and miss her dearly.

“ *Mary Ellen will always be in my heart and memories. She was there for me and offered comfort during a trying time that her and I both were trying to conquer. The blessed day was when she told me she was close to remission. She will so be missed. Thank the Lord that he put such a beautiful lady in our lives no matter how long or short of time. She touched everyone she met in some way. Our condolences. The family will be in our thoughts and prayers.*

“ *Mary Ellen was such a special friend to every one she knew. I remember when I was going thru breast cancer and she couldn't have been more supportive and caring. She always seemed in her heart to know what was going on and when we saw her, she always wanted to know how we were doing and was I managing okay with caretaking. There wasn't a post I put on FB that she didnt comment on and her concern, prayers and hugs were always there. Saddened and shocked to hear of her passing. Our heartfelt sympathy to her family with strength from God to get them thru this loss. Larkin & Brenda Hundley*

“ Bobby and Family, Mary Ellen was an angel on earth and now an angel in heaven. I always enjoyed visiting with her at my Mom’s when I came to West Point. She was a good friend to all of my family. Just recently, she helped carry my Mom’s groceries into the house for her. Mary Ellen visited with Mom for a while and when she left, Mary Ellen told Mom she loved her, unknowingly for the last time.
