“ Mary was one of the most loving and forgiving people I have ever known. Never wanted to impose on anyone for anything and loved her family so deeply. She always had a smile on and such a patient woman. She was so easy to talk with and could gladly share funny memories of all the children’s younger years . The kind of person that was easy to love. I know her celebration to the gates of heaven was one for the books ! Love  
You Mary and thank for showing love to all, all the time!
