DR

“ Just learned of the passing of Dr. Crandall. I was an Air Force vet tech at Roosevelt Roads Naval Station 1976-1979 and Dr. Crandall did his reserve duty at our clinic. A very nice man and I always looked forward to when he'd be there. He was also kind enough to allow us to stay in his home while he was away stateside.

Rest In Peace doc and I've got some rations left on my card for ya!
