“ hey mommy,  
you have been on my mind recently. well you're on my mind all the  
time but more recently. i have found christ more and more these  
days 💖🕊️ i hope he is taking great care of you and my brother.  
when someone says grief gets easier, don't listen. it doesn't. it never  
does. it never lightens. i would do anything to have you back.

“ I miss you a lot. It's coming up  
on nine years since you passed away. It still feels like yesterday. I  
wish we could just have one more conversation to find the closure I  
have wanted for nine years. I just feel so broken and lost without  
you.

“ Hey Mom 🙌. I just wanted to say that I am finding some sort of  
closure. Well beginning to. I am happy. I really hope you are looking  
down on me and see this. I am getting my life together for you and  
living the life you always wanted to. I love you my sweet butterfly.  
Fly high 🦋❤️

“ I'm currently sitting here bawling my eyes out because I miss you so  
much and I wish you could be here so bad. It's just not fair anymore.  
I don't know how much longer I can keep going like this. It really  
sucks a lot. And most of all hurts deep down.

“ Almost two days and It will be eight years since you left. It doesn't get any easier if not harder. This life sometimes doesn't make sense to me ever hardly. This huge hole remains in my heart ever since you left. The hope that you will come back has now been lost. Rest Easy mama

“ Tomorrow you will be turning 38 years old. Not a day goes by that I don't miss you or think of you. I miss you so so much. I would do anything to have you here today. I wish I could just hug you one last time or at least say goodbye. I'm not doing well without you. I will never get over you. I still expect you to show up one day and say "I'm here I'm back, I missed you". It hasn't happened. But yet I still wait. I can't let go. 6 years without you, shouldn't that be enough to realize I should be okay. I guess not. I love you so much, my beautiful butterfly 🦋. Fly high mommy ❤️
