“ *I only met Nookie a short time ago but he was special. We spent time with each other every day from the day we met to the day he transitioned and gained his wings. I want to extend my heartfelt condolences to his family and friends who had the privilege of knowing him very closely for years. If he impacted me this way in such a short time I can only imagine the hurt that you all must feel. I pray that you all will find strength in Christ.*
