“ Uncle Mutt was a kind and gentle man, always willing and happy to lend a helping hand. Although in his final days, I somehow feel that he knew how much he was loved and respected. He touched so many people in so many ways which will live on in their hearts forever. We will miss you but you will always be in our memories forever.

“ I'm so thankful to have had Uncle Mutt in my life. He was a great example of a family man, and while not everyone in a family is always going to get along, everyone loved Uncle Mutt. I have so many wonderful childhood memories of spending weekends and holidays at his home. I'll always remember summers spent swimming in his pool, fireworks set off from his front lawn on July 4th, Easter egg hunts and cookouts, sleepovers and birthdays. I'll never open a box of Whitman's chocolates or see one of those giant popcorn tins they sell at Christmas without thinking of him. He loved food and his family, and he had a great laugh. I miss him already. Thank you for the memories and your love, Uncle Mutt. Xoxo - Rhiannon
