“ Merle was a great supporter of others, she came from a long line of hard working folks, with her Father being a faithful servant of the Lord and supporter of the Church. I am so sorry for your loss; she will be greatly missed. She was a talented lady, playing the piano and singing beautifully, as well. May God comfort all of her family, especially her daughter, Kay and her husband. I have a doctor's appointment at the time of the funeral and I am sorry that I will not be able to be in attendance to demonstrate my support. May God bless all of the family and guide you through the coming days.

“ I can't find all the words to express what a wonderful lady Merle was. She was definitely a tribute to the older generation and lived her life to the fullest. My husband knew her way before I moved to King & Queen and he couldn't say enough nice about her, but he also remembered she would give you a piece of her mind if you crossed her wrong although she was more bark than bite. She was great company to my Mom as they resided at the Chandler Adult Home. I walked in on them countless times and they were laughing at each other while both were trying to still dance in their nineties. We know she will be missed in lots of ways and we were very blessed to have known her.
