

Michael Wayne Carruthers

November 21, 1967 - July 24, 2023

Michael Wayne Carruthers, born November 21, 1967 in Reno Nevada, gained his wings and went home to our amazing God on July 24, 2023. He kissed his beloved wife Catherine of 21 years goodnight and went peacefully to eternal rest. Michael was a devoted son, husband, father, brother, uncle, and cousin to his family. He was an expert in many areas of tax. He graduated from Southwest Texas State University earning his Bachelors degree and went on to become a CPA. He had an amazing career that led him and his family from San Antonio to Austin to Dallas and then finally to Virginia. Michael loved to watch movies, go to different restaurants and absolutely loved the beach and sitting in the sun. Michael loved all genres of music and would often listen to them when working.

In the evenings, Michael and Catherine would sit and watch their favorite shows on tv, as she would make different crafts; Michael always loved to see her create beautiful things. His devotion to Catherine was beyond anything you could imagine, and you could witness it every time he smiled at her. Michael loved his boys beyond words. He took those boys under his wings the moment he met them in 1999 and never looked back. He was a kid at heart and the boys loved that about him.

He is survived by his beloved wife, Catherine Carruthers; mother, Vivian St. Louis; father, Terry Carruthers (Donna); sons, Edward Anthony Carruthers of

“ Michael was one of the finest men I have ever known, truly an honor to have him as a friend. I remember the car show he and I went to in San Antonio, we had an amazing time. On the way there he commented that he hoped we did not get mugged, when I told him I was carrying a handgun and could guarantee we would not get mugged today he really got a kick out of that. He was always fun to be around. The Carruthers family is truly loved by your friends in Texas.

“ We are so deeply sorry for your loss. We remember the time all of us were together in the Virginia Beach house and how much fun we all had doing the "I fly" and playing golf. The faces and the pure enjoyment of feeling young again. He was a good man. I know he will be missed by all the lives he touched.
