“ To Melvin, Paula, Lash, Calvin, and the entire family. We just heard of Michael's passing. We are so very sorry. We have known Michael since he was in high school and we have known his family for much longer. We knew Michael as a businessman as well as a friend. Recently, he installed a new roof on our house and it was such a joy dealing with him. He was very considerate as well as competent. conscientious and trustworthy. We are very proud of what he did for us and how he treated us. We know this is a very difficult time for the family. We are with you in spirit.
