“ I just learned about Mike's passing. I worked with Mike at Abbott 1969-1971, and saw him many times at various conferences etc. thereafter when I was counsel for the Borden Company in Columbus, OH. When he visited Abbott's Ross Labs in Columbus we had dinner at my home. Mike was a great friend and we enjoyed a lot of good times together until his retirement. Mike also had an unusual talent of cutting to the chase when it came to FDA regulatory matters.
