“ I am so sorry to hear of Mike's passing. I went looking for him because my dad and long time friend of his - Robert "Bob" Page - just passed last week.

*It is very painful but I find comfort in the memories and Mike was a distinct fond memory I had with my dad. We kids were always excited when Mike Graham would come over because he was fun and made my dad happy. At least once we went camping with them - maybe it was Jenny Jump State Park, not sure. As a kid, I believe they were best friends at the time and I remember camping, guitar playing and plenty of "cold ones". Lots of love to the family, they are both at peace now. - Rachel Page*
