“ We met Mike through my son Pete, he was his boss at one time. We have a dog, and my sister has a cat from Mike. He was always trying to find homes for animals. I would see Mike at my work at Harris Teeter once in a while. I was saddened to hear he had cancer, and encouraged him whenever I saw him. I was just thinking I hadn't seen him in a while when I got the news. So sorry he is gone, a good man for sure, kind and considerate. Prayers for Mrs. Hubbard and the family. My God bless and keep you.

“ Ruth L Hubbard lit a candle in memory of Michael "Mike" Hubbard

Mike and Diane Hubbard lived in the house across the street from where I grew up. They were the kindest people; the definition of a good neighbor! I remember Mr. Hubbard coming and plowing the snow out of our dirt driveway so we could get out. He also pulled a few cars out of ditches. I know they went above and beyond for my family in more ways than I can count. I'm 43 now and I often think back to their gracious and humble personalities. I loved Mike & Diane and I am so sorry to hear about Mike's passing. It breaks my heart for Diane. I hope to be able to reach out to her somehow in the near future. - Crystal Taylor (Bostick)
