February 15, 2002 - April 2, 2023

Michael Caleb Miles, 21, of Aylett passed away unexpectedly April 2, 2023. Caleb was preceded in death by his grandmothers Carolyn Southern and Patricia Miles.

He is survived by his mother and father Michael and Shelly Miles; grandparents Glen and Nancy Miles; sisters Sierra Willis (Michael), Holly Miles, Brittany James (Travis), Amanda Greiner, Valerie Crews and Kaitlyn Greiner; a brother Christopher Greiner; nieces Scarlett, Piper, Violet, Addison, Aisley, Kylie, Sherri, Lily; nephews Jordan, Rylan, Jackson, Sebastian, Jesse, Lucas, Jack and Ethan.

Caleb was an outstanding young man. He was a hard worker and loved what he was doing. He was great at doing anything with his hands and would turn a wrench on anything he could find. He loved to hunt and fish but loved to hear his dogs chase the deer more than anything! That bark always put the biggest smile on his face. Caleb was a Chevy man all the way! The louder the exhaust and bigger the tires. You always knew when Caleb was pulling up. His GMC was his pride and joy! He loved to watch his Denver Broncos and was always the life of the party. One minute he would have you laughing and then turn around and pick the shit out of you. Caleb was loved by many.

Fly high sweet boy with Braydon Reed until we meet again. You will always and forever be Mom and Dad's little boy.

A memorial service will be held 6 p.m. Monday, April 10th at Vincent Funeral Home, 417 11th Street, West Point, VA 23181.
