“ *My prayers are with you Nancy and your family, as always. I've been reading the stories and looking at the pictures on FACEBOOK and I wish I could have known him...looks to me like he was a lot of fun. God bless him now...no more pain or illness...for that we can rejoice. May God give you His peace now. One day we will all be reunited.*

“ I can see you in heaven after you've had that big juicy steak scoot-a-pootin' around in that 69 Camaro. I love you Mike. You have been my friend for many many years. Although I didn't see you for the last 20, we picked up right where we left off 20+ years ago as if I had never left. That's how you know a true friendship when there are no gaps, no hesitations in conversation. I know how much you love your family and friends with all your heart and I promise you this....I will do every thing I can to help them and be there for them. Godspeed my dear dear friend.....see ya later tater'!

“ My first memory of Mike was outside of school where we used to park our cars. He would be there with Nancy in his truck. (I think it was orange if memory serves me correctly.) She loved him then, and the love has grown every since. Cherish these memories, keep them close to your heart.

“ Prayers and love go out to Nancy and Mike's family and friends. He's already home.

BB and I have wonderful memories of the two of you and little Stephen. He was a great friend who loved his family. BB still speaks of their hunting trips with Mike's Dad in the little blue truck with the shell on it. God speed my friend. Knock, knock, knock'n on heavens door...
