“ *Tina, Justin, and Austin I just want you to know my heart is breaking for you. We all grieve differently and we all hurt differently. Know I am here for you anytime day or night. Just remember we have a LOT of fun an joyful memories no one can take from us not even death. I love how we used to all cut up especially on those long drives to the beach or where ever we were going. How he tried so hard to teach me to shoot what a riot that was. He will forever be my "Unca Mike" and I will be his "peachy." This is one of my favorite pictures of us. We rode to the mountains and picked apples. It was the simple little things he enjoyed most.*

“ My memory is a day fishing with Covenant Woods friends. I spent the day reading, while Gary and Mike took the fishing very seriously. I remember Mike's son and his girlfriend showed up to be with his Dad. It was a beautiful day with friends.
