“ I remember Mildred as a child. My parents are Donnie and Annette Cottee and so many fond memories lay with this sweet soul. I remember being a little girl visiting the apartments as my parents tended to painting and other work. Years after I grew up it was a pleasure to run into her at the stagecoach. I'll never forget her asking me last year If I knew who she was. She was a soul that once met youd never forget. Rest easy my darling.

“ So Sorry... We are heart  broken and Praying that God bring peace and comfort to this family.  Mildred was a special soul who loved everyone and no strangers in her life ,  As we try to take each day by day knowing she has moved beyond this life and crossed over to where she lived every day to be.  Her Heavenly Home.  Our hearts  now hold on to those who she left behind.  Johnny we love  you and Wendy, Little Johnny, and Jerry. You have all your precious memories to hold on too. Because when we lose a love one, all our memories become our hearts  treasures. I'm praying for peace and comfort to surround this family and friends.    Mildred was more than a sister n law to me. We had great times together as kids, playing riding bikes, skating and school.  Then we married brothers and we have had a life time fun and memories together.  We will not be the same without you  We will all meet again..on that Great HomeComing Day.

“ Mildred was as real as they get. She didn't hold back what was on her mind and that says a lot about a person. I am so thankful to have been a part of her life. The Bible studies we had together were truly a blessing in so many ways. Going to church together past years and sharing our love for Jesus together really was a blessing. Now she can celebrate a new life without suffering any longer. Truly you are sheltered in the arms of God now. No worries, no raging storms, you heard the call from heaven and nothing held you here. Rest now in His arms of pure love. Buddy & Betty Jo Seal

“Mildred was a good soul. Always smiling, funny, kind and caring. I use to love stopping at pilot to talk with her and laugh. Known her for many years. She was one of the most down to earth people. Just a good person. She will be missed dearly. My thoughts and prayers are with all of her family. May God give you comfort and peace during this difficult time.
