“ Aunt Mollie was full of love and life. Her loving memory is forever etched in our hearts along with the memories of many family gatherings we celebrated throughout the years. She and Henry were shining examples of how to live as evidenced by their steadfast love and respect for each other, along with their wisdom which they readily shared to those who needed guidance and direction. Much love Mollie-please give Henry and our other family members and friends a hug as you all rejoice resting in eternity with our Lord.

Dear Mollie had a great sense of humor! My husband Al would always call her, “Good Golly, Miss Mollie!” She was the person to call for anyone’s birthday date because she knew them all. One day she told me quietly but truthfully, “Henry is getting hearing aids. I’m going to have to clean up my language!” Know it’s frustrating to try to talk to a person who cannot hear, because I am one! She didn’t mean anything bad, just that she would mumble something to herself! Recently told to behave. She said, “I will if you will.” We decided we would try.” Much love, Mollie! You will be missed!
