“ *Monroe Clayton was one of my wife's favorite Uncles. Only 5 days after she went home to the Lord, he left to be with her. Guess she was his favorite too. God bless you my true friend. Will never forget the time we spent together, "Powhatan Hunt Club Weekend" still hurts my bones. Rest in Peace Uncle Monroe. I will tell great stories of you the rest of my days. Kiss my Angel goodnight for me my friend.*

*Steve*

*P.S. Donald Gammon Sr. has his heels in the air with you now, tell him I said hello for me please, see you guys later, got this...*
