“ *My mom and I worked with Montie back in the late 80's in McKinney Tx in a long term care facility. We were all like family the minute she got there. She made everything and everyone better. She and my mom became good friends and Montie would always drop her a letter even after she moved away. Montie was a very classy elegant lady and our hearts are broken for her passing. Prayers to Jeff and Cindy and the rest of the family. Love you Montie* ❤️
