“ Sandy, thanks for letting me know about your Mama passing. I spent many good times at your home and can keep those memories close. I also worked with your mom for several years and I knew her as kind, loving and wonderful plus she had a great personality. I was blessed to know her and will hold her in my heart.

“ Sandy we are so sorry to hear about Myrtle "Mama" going to be with the Lord. Man she loved karaoke and smiled every time Warren would go to her with the mic to sing. She and Claudia will now join us to sing every other Saturday night from their heavenly thrones and enjoy all the good times we had. They will be missed in person, but their smiling faces will always be with us in spirit. We dedicate our songs to you "Mama Myrtle". If you need anything Sandy, please give us a call. We Love You!

“ Sandy, I am so sorry you've lost your mother. I loved Myrtle and I know she was happy to have you so close. Mom and I had just been talking about calling her on her birthday this year. I'm glad I got to see her a few years ago at your house and, honestly, I'm so glad I knew her at all. All my love to you. Let me know if you need anything.
