“ Nancy, to me, was an inspiration to love people, music and fun. She also seemed easy going at all our Wilder gatherings. I remember swimming in the lake with her and baby Cindy at a family reunion in Florida in the 60's. How patient the older cousins were with the younger ones. I really liked and loved her so much. She was good to me. I am so glad she loved Jesus and am eager for resurrection morning to see her and hug her.

“ Nancy was so thoughtful. When we had a family email group back when email was a new thing, she was the one who always reminded us of birthdays and anniversaries. I'll miss her loving ways, but look forward to seeing her again some day.

“ Aunt Naintcy to me...the most fabulous smile and love for her family. Countless memories that resulted in uncontrollable belly laughs....especially at Christmas! Although so sad you are gone, I rejoice knowing you are dancing again with Dad. But...it won't stop there because you've hugged Griffin's neck and reunited with Nan and Pap too. Much love Aunt Naintcy.

“ One of my first fond memories of Nancy (with many to come) was when I took one of her line dancing classes at the PF rec center. I was amazed at how she seemed to float across the floor as if on air while executing complicated dance routines!  
She was a sweet and caring person that I will fondly remember and miss forever. Condolences to Chip and the Wilder clan from Gene and Bonnie Daniel.

*Nancy was my best friend in the 8th grade at Cradock. We had a great summer that year. I remember spending the night on their sleeping porch with the whole family - quite an experience. There was a birthday party where I had my first kiss outside the party room door after winning my turn. It was with her older brother's friend. I didn't know which way to turn my head so it was really akward! We had many laughs about that experience. Nancy was great fun! My condolences to her family. Blessings to her family who will miss her until we see her again.*
