“ *Aunt Nehi left me with so many happy memories of the time spent with her. From the jewelry she would give myself, Fran & Karen for different holidays & special occasions, to the birthday & holiday cards we received from her for years, to her calling me two yrs ago singing Happy Birthday , to the many yrs spent with her Christmas Eve at Grandma's/Roz's house but the best memory ever is her entrusting her pound cake recipe to me! I know mine will never ever taste like hers but when she tasted mine she approved & said it was really good! She even recommended me to one of her customers so for it come from a "high profile" baker was a HUGE honor! Aunt Nehi you earned your wings here on earth years ago & now have traded them in for a pair of heavenly ones!! WELL DONE THY FAITHFUL SERVANT!❤️*
