“ Oh what fond memories I have of my "Aunt" Olive. I remember as a child when My cousins Lucian, Mohawk, TaJune & Olive would come visit us in New York. What a treat it was to see extended family from Virginia. After I came to live here I a had special bond to my cousins. I treasure the visits I had with Olive & Emmett growing up here. Love surrounded thier home and I was always aware of the kindness she showed me. What a legacy she has left in her children. Our love to you all, Pow & Carol Owen.

“ *I don't think I ever left Miss Olive's house without her cutting a slice of her homemade coconut pie for me to eat at the kitchen table. She knew it was my favorite pie. Made and served with love every time. My love and prayers go out to the entire family.*
