“ *To Omiss's Family:*

*We was sadden to hear of Omiis's passing. I had spoken to her about a year ago and had a long conversation with her. I had not heard from her for many, many years (elementary school) and I was more than delighted to hear from her. I said a prayer for you today and know God must have heard. I felt the answer in my heart although He spoke no words. I didn't as for wealth or fame, I knew you wouldn't mind. I asked that He'd send treasurers of a far more lasting kind. I asked that He'd be near you at the start of each new day, to bring you health and blessings and friends to share your way. I asked for happiness for you in all things great and small, but it was for His loving care I prayed for most of all.*

*Sorry this is so late nevertheless With deepest sympathy and love.*
