“ We've known Joe for many years as my husband and he worked together at Colonial Williamsburg. He was very soft spoken and we'd always see him and Jean together, they were inseparable. He was also a family man and loved his children and grandchildren. We just visited with him recently at his home and am so glad we had a chance to talk and share some memories. He will really be missed in his community and elsewhere. Our deepest and heartfelt sympathy go out to his family.

“ We are so sorry for the passing of our friend and my second "Dad" Mr. Joe. He was always there for his friends and neighbors, lending a tool for a project or just giving some friendly advice. Joe never had a negative thing to say about anyone, he had such a positive outlook on life. He and I shared a passion for aviation history and I am so glad we got to visit the Air and Space Museum and the Virginia Aviation Museum together. Carmen and I will miss his smile and and his infectious laugh. We will always be there for you Jean, whenever you need anything. We will greatly miss you Joe, heaven is a better place with you there!
