“ I've been trying to put the words to the page. Pam I've known forever. She lived next door to us. Her parents and mine were great friends. All the fun times we had. I will always remember her smiling face. She fought hard and I am thankful she is no longer in pain. I know her Momma was there with open arms. I'm sure Pat Hogge Musselwhite was there too. Hope she tells my Momma I miss her everyday. They are all in heaven celebrating and watching over us all. To all the Boswell family and friends, my thoughts and prayers are with you. Know she is at peace. I pray God gives you the strength needed during this difficult time. Rest easy my friend. 🙏💔🎈

“ Oh Pam, I've known you my whole life. We've made each other happy, miserable, up, down, heck probably upside down & sideways when we were young. But we were always back by each others sides and thats what you call a true friend. Im just so sorry that as we got older we drifted apart and didnt keep in touch. I will miss you my friend. God has another Angel. Love ya, Corey

“ Love & prayers to all of Pam's family & friends. She was such a bright light when she was around. I often teased her for going to one of the dances at school with a wonderful guy we both dated. I hope when she see's Felix, she tells him that I send my love to him. He was also a wonderful person. Pam you will be missed by so many sweetie, godspeed & RIP. You are another wonderful friend gone :(

“ My Condolences to the family. Pam brought a bright light to everyone she met. I met Pam through my sister Susan Kinter. We had great times every time we were together. I visited last summer with Pam and got to meet daddy and make leek soup Pam raved about that I made when she came to visit my home. She shared food that folks had brought to her. We sat and ate and conversed and had a great time. I remember her saying she used cloth napkins because her mother always used them. I will always remember her loving ways. A beautiful person and I will miss her dearly.

“ *Tracey and I met Pam in 2011, the three of us became fast friends, although she left the job, we kept in contact and always took the time to get together for some fun. It's been a hard year for Pam and her family, I will always remember her beautiful spirit, so bright and so much fun. We could laugh so hard we'd cry. It will be hard to be without this wonderful person in our physical lives, but she is with her momma and truly an angel now. She will be in our hearts forever, I thank god she was my friend.*

Thoughts and prayers to this wonderful family.

“ I will always cherish the memories from all the boat days, Seacrets and vacations well spent together. I'm eternally grateful to God that you are no longer feeling any more pain, but am saddened that you aren't here anymore with us. I pray you send me some signs soon and come talk to me. I love you and miss you, Pammy. I miss that electric smile and contagious laughter you always brought everywhere you went. Your memory now lives on within us all. Rest easy, beautiful. Xoxo.

Praying for peace and comfort to Pam's family and friends. I've known Pam for as long as I can remember. Betty and Dick were one of the first families I met when we moved here 30 plus years ago as they were very close friends to my family (Pat Hinkle aka Auntie Pat) Pam and I would sometimes work together at catering events. She was always fun, energetic and spunky. "No more pain, no more tears when you meet Jesus face to face". Prayerfully, Amy Shaffer-Smith
