

Patricia Joyce Hall

February 22, 1946 - June 8, 2021

Patricia “Pat” Hall, 75, of Charles City entered into eternal rest peacefully at home on June 8, 2021. She is the daughter of Kathleen Childs, of Crab Orchard, WVA.

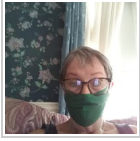

Pat's two biggest loves, other than her family, was being a hairstylist and living life to the fullest. She continued to do hair, almost to the end of her time on earth. Pat was the ring leader when it came to shenanigans with her young family members, and needed to be reminded of her age often! She was very much a free spirit who loved a good party and enjoying all the little things in life.

Pat is survived by her daughter, Christi (Jay Adkins); son, Leonard Johnson; sister, Evelyn “Poochie” Moses of WVA and Blanche “Tookie” McKinney of Ohio; brother, Dan “Bo” Childs of WVA; and her special person that became a son to her, Pete “PJ” Jones (Mellissa Shiflett); as well as Alex Beavis, who became her adopted grandson. She also leaves the two dogs that she never wanted, but ended up needing, Sammi and Junior. Of course, her 2 biggest partners in crime, the ones that could never do any wrong, her grandsons, Christopher (Morgan) and James Jones. Mom always said that she should have had the grandkids first because they were so much more fun than her kids!! Mom leaves behind several special nieces and nephews, and a host of friends that will miss her terribly.

In lieu of flowers, enjoy the little things in life; stop and smell the flowers (pick them if you can), take the time to look at the moon and enjoy the beauty, go the beach feel the sand between your toes, never miss a chance to stop at the Dollar General just in case they have something on sale! Enjoy this life and the ones you have because you only live once...make the best of it; play, live, and love hard!.

A celebration of life will be held at a later time by the family. Do not be sad and cry, instead drink a drink and remember her with a smile.

“ *What a beautiful send off this obit is. As cousins we only spent 12yrs of our interrupted childhood together. She called a few years ago & talked about you kids & how you've helped during her illnesses. Together we would've been a force to reckon with. It is a gift to take care of our mothers during their final time in this world. They know they did good & were loved.*

“ *Well if this doesn't speak the truth. She was one of a kind.... And she always let you know where you stood with her. I loved her dearly and will miss her terribly. She loved me like her own, but maybe treated me a little better JK! She loved Chris and James like she loved no other..... her greatest joy was being a MiMi. I know she is living her best life in Heaven right now and enjoying a cold drink..... luv ya see ya soon ❤️*

Oohh my friend. I almost put in there about you being the daughter she wanted because you was a "girl". But you already know how she felt.
