“ Pat was my cousin by marriage. She was easily one of the most beautiful women I ever met. I admired her and I was always proud to consider her my beautiful cousin, especially when she graduated from Columbia University in NYC. Pat Mathews was a special person!! I will always remember her with respect for her intelligence and exceptional beauty inside and out.

“ Pasty and I took music lessons in the early 50s at Don Warner studios weekly in Richmond for a number of years. Her Mother would drive one week and my Mother the next. We were young teenagers. Several years before her Mom passed I stopped by her Mom's house and Patsy was there. It was good to see her again after so many years had passed. My sincere condolences to her family and all her friends. RIP, Patsy.

“ Pat and I met in 1978 and became fast friends. We shared children of the same ages and enjoyed many years of sports, ski trips, running the roads and lots of coffee. We called each other almost every day for years. Recently, in-person visits replaced phone calls but our friendship never failed  
I will miss her, fashion sense, drinking coffee from a China cup, being direct and to the point. Her joy when she spoke of her family, travels she experienced and her love of animals.  
Prayers for her family and all whose lives were touch by her. Rest peacefully my friend.
