Pat was very dear to me especially when we both worked in the pulp mill. Pat helped me with typing case studies for my studies at William & Mary. We often joked that she earned half of an MBA. Love and miss you Pat. Condolences to Jim & family.

Jim, Karen and Jamie: Pat was someone I always admired. She was such a good friend of my Mom, Hilda Fauber. I enjoyed seeing her throughout the years in church. She and Jim gave me my first babysitting job when I was in high school. Their marriage was an inspiration for me. Always loved getting hugs from your family. May your wonderful memories of Pat give you comfort in the coming days. She is a lady I shall never forget.
