“ *Mrs. Groves was hands down the best Teacher I ever had. I can't put into words what she meant to me. She did more for me in two years that I had her. She took an interest in a hard headed little boy who did just enough to get by. She kept up with me and came to see my son when he was born. She was a big part of my life. Rest in peace good and faithful servant, your work on earth is done.*
