“ *We were at church one night & Nonie kept saying how much she loved my coat. "I bet it's so warm. I'm always so cold" , she said. I'll never forget the look on her face when I took off the coat and placed it around her shoulders and told her that it was her coat now so she could stay warm. Nonie always had a hug and smile for me every time I saw her. I miss you Nonie!*
