“ Paul it is been over a year now and I still can't believe it. We talked everyday and I miss that. I wake up and I still want to text you. I miss you so much. My heart is still just so broke. I know you are with Pop, mom and Anthony. But I miss you all so much. I love you.

“ *My heart and prayers go out to Paul's family.
The unexpected passing of Paul is a loss to mankind.
Paul was the epidemy of the word friend. I've never known anyone
with a heart as big as his and who truly was only a phone call away
for anyone's help.
Even the sky is crying today for his passing.
I've known Paul since the first grade. He was a hellion then and was
always in some sort of trouble.
In first grade, I remember the teacher tying him to a chair and
putting him in a corner!!! I asked Paul not too long ago if he
remembered that. He didn't. I guess it traumatized ME more than it
did him! :-)
Paul as YOU know, you are not just my friend you are my brother
from another Mother & Father....
Now you are no longer in such pain and you are with your other
family members, especially your Dad.
I love you brother and always will. I will miss our talks, your
company and oh how I'll miss my friend.
Rest in Peace my brother man, rest in peace.....*

*Your forever friend and as you called me your sis,
Beth Otey*
