“ *I was just a young student at Calvary PT in Ashland, VA and have never heard a greater testimony from a former atheist than Brother Sites'. I always enjoyed visiting his church in West Point when we would visit all 7 satellite church locations. He was a true torch bearer in the age of the last of the healing ministries where true miracles were evident as a normal thing in every service preached. Prayers go out to his family and ministry. I know God is still blessing, as He always does.*

“*Brother Paul was an amazing FRIEND! He was a God fearing man! I loved the way he would say a scripture during service and not even have his Bible open! I know people get tired of me saying, but when I had trouble finding God Paul was my strong! We loved talking to one another. He was my shoulder and mine his! He was a crazy nut 🍄🍄🍄 but the best one you would ever find! He was kind and generous to all. I miss his voice and his text! His good morning sunshine! Remember God loves you and so do I! He was truly my buddy and I miss him! I love you Paul! I long to know what your new name is! Forever my friend!*

“*Bro. Paul was a man of God, he was always so friendly and helpful to others. When he had promised my husband he would preach his funeral when that time can, he kept his word and did a wonderful testimony to Kenny, for which I will always be grateful. Rest easy Bro. Paul, your work on earth is over and your reward has been granted.....*
