“ I just saw on Facebook that Peggy passed away. I had no idea. I am still so shocked and very saddened by this awful news. Peggy was one of the sweetest coworkers I've ever had. I used to constantly lock myself out of my office at Eastern State and had to bug her to borrow her keys and she would always just laugh. I also would bum cigarettes from her when I tried unsuccessfully at the time to quit and buy her a pack because I felt guilty bumming from her! I loved going out dancing with her, having lunch after I moved away, etc. I only found out just now as I was hoping to get in touch to have lunch this Friday. I wish I could have been at her Celebration of Life. What a beautiful person she was. My condolences for her daughter and niece and the rest of her family.

“ Although I have retired from ESH many years ago & moved out of the area I have hundreds of fond memories of Peggy. I considered her one of my very best friends while I was there. I will fondly remember our times at concerts, festivals, NASCAR races, beach times, trips to area breweries, and so much more. So glad I have many pictures of those times to remember her by. My sincere thoughts and prayers go out to her family, Brooke, and all of her friends that felt close to her.

“ Sending my love and prayers to the family of Peggy Hogge. Learned the news Sunday at church and was very saddened. Peggy had a heart of gold. She reminds me of a saying: Boots, lace and full of grace. Will cherish fond memories of Peggy and Pat they were my friends for life. She will be missed by all who knew her.

“ I was so saddened when I learned on Saturday that you earned your wings unexpectedly.

You were always a great friend, full of spunk and a fun spirit. Such fun memories of all our fun times after high school going out dancing at 'Much More' in Richmond, our trip to Mexico and many laughs when we both lived in West Point.

It brings me such comfort knowing that you are at peace. I know you are rejoicing with Pat, your mom Joyce and dad Jiggs and others; while you all look over the ones you left behind.

Fly high and soar with angels Peggy. My condolences to Brooke and all of the family!
