

## Peter James Holden II

December 18, 1987 - November 11, 2022

Peter entered this world at home early morning on December 18th, 1987, and left this world early morning on November 11th, 2022, also at home, to go be with his Lord and Savior. He was 34 years old.

Pete was a very talented arborist, landscaper, and tree climber. He was owner and operator of H&S Landscape and Tree Care which he started in his early 20's. Pete loved to fish and be on the water. He also loved to cook and grill out. He was an amazing drummer and was always listening to music. Pete was very dedicated to his family and friends. Peter was admired, respected, and deeply loved by his mother and father. Many times, Pete would help others out, and never told anyone; which was exactly the type of guy he was. We are now finding out more and more with everyone reaching out, how many lives he impacted.

It was his belief and love in Jesus that led him to live life caring and always looking out for others. From taking firewood to anyone in need, grilling out, feeding, gathering people together and giving them a welcoming home, to volunteering, working for free or extremely discounted to those in need. If there was a neighbor, friend or family member that was going through something, he would drop what he was doing and happily help in any way he could.

Pete is survived by his parents Peter and Violet, his daughter, Mia, his grandmother, Patricia Webb, his sisters, Sara, Maggie, and Trisha; along with 3 nieces and a nephew. In lieu of flowers, the family requests that donations be made to the Proclaiming Grace Outreach Food Pantry Building Fund.

A visitation will be open to everyone who loved Pete and were impacted by his life on Friday, November 18th, from 6:00pm – 8:00pm at Vincent Funeral Home at 9923 Pocahontas Trail, Providence Forge, VA 23140.

On Saturday, November 19th, beginning at 2:00pm, we will be holding a Celebration of Life for Pete at 9432 Diascund Reservoir Road, Lanexa, VA 23089. There will be food, drinks, and a bonfire, and we will be doing all the things Pete loved to do.
