

Peter M. Preisner

July 15, 1956 - February 2, 2017

Peter M. Preisner, 60, of Quinton passed away peacefully at home on February 2, 2017, after a brief battle with cancer. He graduated from Virginia Tech in 1978 and went on to start his career at Hauni Richmond. He then went on to becoming the Director of Engineering at Edgewell. Peter was an avid volleyball player who played at the Richmond Volleyball Club for the last 35 years. Some of his hobbies included fishing, boating, skiing, and spending time at the beach. He also enjoyed traveling, especially to Siesta Key and the mountains of Germany. Anyone who knew Peter knew that he always had a project going on whether it be gardening, woodworking, or working on the house. He lived life to the fullest and always made sure that those around him had a smile on their face.

The beloved husband, father and son is survived by his wife of 33 years, Ivona; daughters, Kristina and Nicole Preisner; parents, Paul and Ingeborg Preisner; as well as numerous other friends and many family members still living in Germany and Poland.

A memorial service will be held 11 a.m., Saturday, February 11th at Vincent Funeral Home, 9923 Pocahontas Trail, Providence Forge, VA 23140.

Another childhood friend (Charlie Gregory) from Montrose Elementary shared this sad news today with the Class of '74 as we begin preparations to gather for our 50 year reunion from Highland Springs in 2024. You will be remembered fondly by your classmates from so long ago.

Rest in Peace, dear Peter. You were a bright light that touched many lives, leaving in your wake a legacy of joy, encouragement and compassion in the hearts of those around you.

May God's Grace continue to surround your family and friends, and bring them Peace.

“ I just found this. I knew Peter during college at VA Tech. We all shared apartments at 3900 Foxridge. Wow, what fun we all had. Mike Luck, Jim Showalter, Debbie Flipoweicz, Bill Reynolds.... I remember all the pranks and shenanigans, listening to Bonnie Raitt and taking off to Myrtle Beach in the middle of the night to stay (all of us in one room) at the Sea Oats Motel. Peter was so much fun. We met up again a few years later, danced in Richmond. I am stunned, and will miss him dearly. God bless his family.

“ *Its been at least 15 years since I've seen this man and the memory of him will never be forgotten. I had the pleasure working with him while at Hauni. I remember my last day at Hauni, Peter pushed his schedule aside and took me out to lunch, we spent a few hours just chatting and discussing the future ahead of us. At 62 yrs of age today, no one has ever showed an appreciation for the work I did like him. A brilliant individual with an infectious smile and wit. Genuine care for those around him that was felt by his actions and his word.*

“ Although I posted previously, I just wanted to add a little more, because a life spans so many decades and chapters . . . I first met Peter late 70's, early 80's when we were all young, wide open and mortality was the farthest thing from our minds. Peter was one of those people from those youthful years who adds to the foundation of your life. Those were the days my friend . . . Jimmy Buffett concerts, camping at the beach, Strawberry Hill Races, Lido Key in Sarasota and then the years passed and we would reunite for greetings and memories at Oktoberfest once a year and the intervening years would evaporate. God Bless You Peter. Hope to see you on the other side; you just got there a little sooner.

“ My heart goes out to all of Peters family. Peter will be greatly missed by all that knew him. He was a POP Volleyball teammate of mine for over 32 years. He was also a co worker, and supervisor for 12 years. But more importantly he was a very good friend for a very long time. I will miss his smile, sense of humor, and the feeling of being with him. He was able to pick you up when your were down, rally the team to try harder when we were behind, all with the genuine enthusiasm of some one who cared. His last words to me the Saturday before he passed away was " If there is anything I can do for you ,let me know." Rest in peace Peter, your memory will last for ever.

“ *I had the honor of working with Peter for many years, while I was at Playtex Products. He was not only an outstanding and creative engineer and leader, but was an outstanding person. It's truly hard to measure the enormous impact he had on our technology and business success over the years. However, the impact he had on our people was and is very evident. Just ask ANYONE about Peter Preisner and the positive comments, smiles and stories just flow. He was a mentor to many and a friend to all. I send my deepest sympathy to his wife and family and friends who lost such a loved and remarkable person, so prematurely. While there is never an answer as to why, there is never a doubt as to where Peter is now. He will be missed but never forgotten.*

“ I didn't know Pete well but my team played against his team at Richmond Volleyball Club for the past few years. He was always very friendly and seemed like a great guy. The other thing that stood out is that he exhibited great sportsmanship on the court. He will definitely be missed at RVC. My condolences to his friends and family.

“ We have enjoyed being neighbors of Peter and Ivona for 28 years and we will greatly miss him. Peter was an inspiration; with his boundless energy, industry, creativity and good humor. “ Peter was a man who didn't miss opportunities. I once heard him say he would try anything once. Well, one time he tried Contra Dancing.....

Peter and Ivona , along with several other couples from the neighborhood, went to Lewis Ginter Rec Center to try this traditional American form of dance. After a brief newcomer instructional session we were led into the dance hall where people were doing what looked like a variation of square dancing. We all joined in and tried out our newly learned steps. With each song the steps got more complicated and faster. Ivona, "TwinkleToes", could master each progression and was selected to be the partner of several of the regulars! The rest of us, especially Peter and I, did the best we could with 2 left feet. At times we were lost and confused in a mass of dancers or we were several steps behind, but we just laughed and kept at it. We never returned to Contra Dancing but it still provides us laughter and good memories.

Peter always wanted to tandem skydive. He is now taking that leap with God.
