I am really sorry to hear about your Husband & Dad. Life goes on and it will be hard for a time. What will get you through are the memories of times that was spent with him, the good and the bad, the tears and the laughter. You all as a family will sat back and cry, laugh and some may have a hard time coping that he is gone. Pray for each other, be there for each other and God will do the rest for you all.
