“ You were my Highschool sweetheart and I will never get over you. No one I have met has held up to you in any way, shape or form. Thank you for the years we shared and for the two beautiful daughters we had together. Please watch over them up there in Heaven. I miss you and have missed you even before you gained your wings. Love you always and forever honey bunny (as we called one another), Lisa

“ Phil and I were in high school band together and we both played the drums. We had so many good times and I'll never forget riding around in his black VW bug with that awesome sound system! I lost touch with him after high school but I understand he went on to be a great family man and pharmacist. He will be greatly missed and my condolences to his family.

“ My deepest sympathy to the family of Phil Morris. I met Phil when I started with CVS 10 years ago. He was my pharmacy association leader and district manager for many years. All the years I've known him, Phil was such a motivator, hardworker, and always has a smile on his face. Phil brought so many gifts to our lives and made a lasting impression on so many people. We will never forget him.

“ *I was so sad to hear of Mr. Morris's passing. I worked with Mr. Morris when I was a teenager at People's Drug Store in Mechanicsville. He was always fun to be around and so kind to others. I had seen Mr. Morris a few months ago and he just seemed to be loving life and talked a lot about his daughters. I am glad I had the privilege of knowing him. He was a great person and will be missed. Prayers are being sent for his family. May God grant you peace and comfort during this time.*

“ I was truly sadden when I heard of Phillip's passing. His Mother & my Mother were good friends as well as Phillip. Even at young age Phillip was one of the most kindest and most considerate friends I remember during our childhood. I know he made an impact on many lives and will be truly missed. Lot of love go out to you Dottie and the family.

“ I am saddened to hear of the loss of Phil. It is hard to believe that someone who embraced and enjoyed life as he did, everyday, is no longer with us. Phil loved his family and the pharmacy profession. Throughout his career with Peoples Drug, CVS Pharmacy and Rite Aid, he had a positive impact on his patients, his colleagues, and his students. The pharmacy community has lost a great leader.

“ *He was a good guy and the adoring father of my two nieces. He will be remembered always. Admittedly, I did not see much of him during the past years after moving out of state but my memories of him are that of a very special and caring man. He recorded the video for me of my wedding and with his commentary and camera skills, it almost appeared professional. He will be missed.*

“ *I've known Phillip since we attended Highland Springs High School; we were both in Mrs. Kreisa's Geometry class. He was quiet, with a quick smile and was well liked by everyone. After school ended, he was my pharmacist for a while when he worked at CVS. I will miss him, as I'm sure his family and friends will concur, and I offer my condolences to those closest to him.*
