“ *I grew up as a neighbor of Phyllis'. She and my Mother were very good friends. I can remember many times when Phyllis would come over to my house and spend time with my Mother discussing what was going on in the neighborhood and town. Phyllis was always a bright light in our lives. It was always a real pleasure to see her and spend time with her. She was definitely a positive part of my growing up. I have nothing but very fond memories of her and offer my condolences to her family and all who loved her.
