The family would like to thank the staff at ManorCare-Stratford Hall for making Phyllis' last years happy and comfortable.

“ Anita, I am so sorry for the passing of your mom. Although you will miss her deeply, I know you are comforted knowing that she is reunited with your dad now. And, as you told me, " singing in that heavenly choir! " I'll think of her whenever I am feeling the sunshine on my face, remembering what a special lady she was! Sending my love to you and your family.

“ No one has ever touched my heart as quickly as Phyllis did. I loved our times together with my Dad and Phyllis after meals, solving the problems of the world, talking about God and complaining about the food at Manor Care! Such memorable, sweet times. I came to love her as my "mom" also. Anita, you know how much she loved you and you were the best daughter ever. It makes me smile to know what she is doing now in her Heavenly home, laughing and making others smile, sharing her wonderful family stories and most of all, being able to eat anything with tomatoes in it again! God REALLY has a special Angel now and so does her family! GODSPEED PHYLLIS! I love ya!

“ Your Mother had such a fun loving wit about her that I loved each time I saw her. I remember at one of "The Enthusiatix" shows your Dad was singing and she shouted out "I hear you Baby". That was our greeting from that night on. She will truly be missed.

“ We have not known Phyllis very long but to know her was to love her. She was the room mate of our friend at Manor Care. She always had a sweet smile. My husband and I thought the world of her and visiting at Manor Care will not be the same. We will miss her but take comfort in knowing she is with The Lord. Our thoughts and prayers are with the family to find comfort in God's word. God Bless you all. With heart felt sympathy, Terry and Barbara Pinson

I will always remember and love your Mom. She lit up the room with her bright smile and encouraging, loving words, and always counted her blessings for the Family she was given. May she dance in His presence as she awaits all of ours!
