“ A beautiful person and wonderful human being. If you ever stopped or passed by you would find her on the tractor, out in field, working the garden, cutting grass or pulling weeds. From sun up til sun down. Hard working, strong, feisty and full of life. The kind of person that made your day better and warmed your heart with her smile. Always gave the best advice and told it just like it is. She was a neighbor that was family. Im so sorry Carolyn Sue, Mary Ann and to all of your family for your loss. She's getting a lot of long awaited warm welcoming hugs in heaven right now.

*Phyllis was an amazing lady and came from a hard working family. I'm so glad to be apart of that family. I went to see Phyllis a few yrs ago and enjoyed talking with her and about the family. There really is no room for bitterness in the loss of our loved ones. It's time for coming together, I know Frank and Phyllis would want that for their family. They are finally together.*
