“ Dear family , I am so sorry for your loss of your love one. I just wanted to share some spiritually encouraging news for you all. At John 5:28,29 this scripture can be of much encouragement because we see here that our loved ones have a great chance to live again. Also death was not something that God purposed for humans. your dear love is just in a temporary sleep I hope that this has brought your family some encouragement and happiness.

I remember Preston in the very early 50's when I lived across the street from the old West Point ballpark. Preston played baseball with this brother, Boogie. Preston was the catcher and Boogie the left-handed pitcher. Both were great players. Preston was a really good hitter...I saw him hit a few home runs over the West Point ballpark fence.

“ Boogie and the Family... MY first memory of you and Preston was at the ball park on Sunday afternoons with my Dad, (from King and Queen), watching the battery of you pitching and Preston catching with Scissors as the sometimes umpire. Our most sincere thoughts and prayers are with you and the family.
