

R. Carol Holland Mann

June 30, 1955 - January 21, 2021

R. Carol Mann (Holland), 65, of Toano, Virginia, peacefully returned to her heavenly home on Thursday, January 21, 2021.

Carol is survived by the love of her life, her husband of 41 years, Phillip W. Mann; sons, James Carter and Eric Mann; daughter in law, Emily, granddaughter, Elsie and her granddaughter, Caroline, who is due in June. She is preceded in death by her parents, James and Melba Holland and her brother, James.

Carol was born in June 1955 in Newport News, Virginia, where she grew up and later met her husband in 1979. In 1987, Carol and Phillip purchased their home in Toano to raise their family. She was truly a devoted, loving wife and mother. Carol dedicated her life to caring for others. She enjoyed every moment with her family, hosting family holidays throughout the year for decades, lovingly caring for family and friends, and taking her granddaughter on adventures during summer break. She also volunteered throughout her life with the local police department, local schools, nursing homes, her churches, and with so many other organizations.

A celebration of life will be held at a later date when gatherings are safer for all. In lieu of flowers, donations can be made in her name to St. Jude.

“ My wife Carol what is a true saint and she Deserved a medal for putting up with me for 41 years. She was a very caring woman who was the back bone the Mann family. She love to organize the family gatherings throughout the year. She volunteered for many different groups and on many occasions gave every dollar in her pocketbook to people who were struggling. She kept me in check most of the time and help tame the wildness out of me and transform me into a man. She was my soulmate and a fantastic mother and you always be part of me in my heart/soul and memories. I miss you my love.

“ Phillip, Eric, Jamie and Emily...thinking of you all as you cope with the loss of such a Wonder Woman. I will cherish the memories I have with Aunt Carol forever. She was funny, witty, caring and charitable. She never forgot a birthdate or a holiday and made sure to send cards. Many hugs and kisses come your way!

When we were little I would go with Papaw and Maryjane to see Carol and Jimmy, Dean and Jim . We had so much fun. I thought Buckro beach was something. I think that's what they called it. Then there were times Carol would drive up here by herself we would go see everybody. She was always so funny. Then she got married and started a family. She still would drive up to see us. Oh how she loved her family. She still would set aside time for her family here. We're all going to miss all the love she spread on all of us so much. We love you always

I remember Carol she was a wonderful person I come to know her quite well. I married her daddy in 1975 and Carol and I got to be friends we enjoyed vacations in Carolina and we enjoyed her son James . I used to keep him while she worked ! He was the quietest child ever ! He would lay in the floor and play his G I Joe's for ever so long ! I loved them as if they were mine !! But then she met Phillip and she finally married him . They were to my knowledge very good for each other !! I was proud for her that she had finally found someone who didn't slap her around !! Carol was a wonderful person that would do anything for you if you needed her too . She was a so good to everyone . Phillip was the love of her life . When they finally turned to God their lives changed . Praise God for that she kept her faith . I loved her with all my heart. Now I still have Phillip, James, Eric , Emily, and Elsie and my soon to be Caroline !!! So thank you God for my family !!
